Dear Mr. Luna:

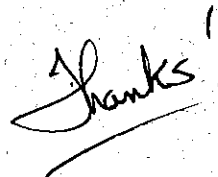

Thank you for Pan American Golf Association Brazoria County's generous contribution of \$500. This gift will be used to help students who are unable to qualify for financial aid purchase textbooks. With the rising cost of education, this is very valuable to both students and their families.

Building a stronger community – one life at a time enriches the future of our community for all. Thank you for being a partner in making a difference, not only today, but in the lives of future generations.

Sincerely,

Serena Andrews, CFRE
